

CORPORATE FINANCE SERVICES

AN UNBIASED POINT OF VIEW IS PARAMOUNT TO MAKING OBJECTIVE FINANCIAL DECISIONS.

At Quist, we maintain independence in all of the analysis we perform on behalf of our clients. Our team of financial and valuation experts can be trusted to provide insightful, thorough and objective analysis to enable you to make better decisions.

EXPERIENCE

Our expert staff of valuation specialists has been providing corporate finance services since our inception in 1984. We help our clients complete a number of transactions per year with private and public companies of all sizes in a variety of industries. The fact that Quist remains independent in every transaction that we analyze ensures that our clients receive objective analysis and recommendations.

RESOURCES

As a leading national independent business valuation firm, we bring extensive resources to every client relationship. The Quist staff of dedicated valuation professionals consists of CFA charter holders, Accredited Senior Appraisers (ASA) and Economists.

WHY WORK WITH QUIST?

Quite simply, Quist provides a combination of independence, experience, quality and expertise that is not available through any other firm.

INDEPENDENCE

Quist never participates in the transactions we value and we do not provide audit or consulting services to our clients.

EXPERIENCE

Quist has performed valuations for public corporations, private companies and emerging growth companies on a regional, national and international level.

QUALITY

Quist reports have consistently withstood the intense scrutiny of the IRS, SEC and the U.S. Department of Labor due in part to our rigorous quality control process.

EXPERTISE

Each project is led by a Quist managing director, who holds the Chartered Financial Analyst designation, a capability that is unmatched by our competitors.
